LinkLife Ltd Contract Staffing

IMPROVE PRODUCTIVITY

LinkLife provides Temporary and Permanent Workers where and when you need them. However frequently your needs change, LinkLife can change the number of workers supplied, to seamlessly meet your production targets.

HARD WORKING STAFF

LinkLife recruits workers primarily sourced from the EEC (UK). Exceptionally motivated, they are either English-speaking, or supplied as part of a group with an English-speaking supervisor.

SKILLED EMPLOYEES

Call LinkLife. We supply employees whose skills will match your work requirements. Many of our staff have worked for us for several years, and where possible are placed with the same customers, to ensure both continuity and greater productivity.

NO ADMINISTRATION OR PAYROLL PROBLEMS

Payroll, PAYE, NIC, and statutory UK employment documentation are all the responsibility of LinkLife, as the employer, leaving you the customer to focus on being productive. All paperwork is available for inspection as you require.

CONTINUING CUSTOMER FOCUS

Many of our staff may be temporary, but our customer relationships are permanent. Developing a close partnership with you the Customer enables us to meet your needs time after time.

A TOTALLY TAILORED SERVICE

Our service is as comprehensive or simple as you require, from providing staff that meet your needs, to arranging accommodation and transportation to site. Whatever the staff and whatever the arrangement, call LinkLife and we will do the rest.

Call 01844 204320 and we will help fill your staff vacancies.
